Dear Ms. Wertam,

On May 22, 2008 the newly formed Dissolution Study Committee held it's first meeting. At this meeting a number of questions were raised by both Attorney Ron Harris, and State Bond Counsel Attorney Douglas Gillette regarding the financial picture of District 11. The committee is working under a short time frame and would appreciate you giving this request your highest priority. We need answers to the following questions:

- A) What are the assets of Regional District 11, both personal, and real?
- B) What is the current amount of the reserve fund for Regional District 11?
- C) What are the current and long term financial obligations for Regional District 11?
- D) What are the potential post retirement obligations for Regional District 11?
- E) Is Regional District 11 currently involved in any legal actions which could adversely impact the region's finances? If so, please explain.
- F) Does Regional District 11 anticipate any future legal actions which could adversely impact the region's finances? If so, please explain.
- G) Does Regional District 11 currently have any long term out of district tuition students, and if so what is the anticipated length of required tuition and cost?
- H) Does Regional District 11 anticipate any future long term out of district tuition, and if so, what is the potential length of time, and potential cost?
- I) Does Regional District 11 have any plans for future long term bonding? If so, what amount is anticipated, and what length of time for repayment?

Should you have any questions please feel free to contact me.

With best regards,
